Thank You Hart Leisure Centre

We would like to say a big thank you to Hart Leisure Centre for delivering such an engaging and informative water safety assembly. It was a fantastic opportunity for us to learn about the importance of staying safe in and around water.

During the assembly, we learned many valuable water safety skills, including how to recognise potential dangers, what to do in an emergency, and how to help keep ourselves and others safe.

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK

Take time to assess your surroundings. Look for the dangers and always research local signs and advice.

STAY TOGETHER

When around water always go with friends or family. Swim at a lifeguarded venue.

In an emergency:

CALL 999

If you are at the coast, call 999 and ask for the Coastguard. Don't enter the water to rescue.

FLOAT

Fall in or become tired - stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.
