## THANK YOU

A huge THANK YOU to TAFF who provided the children and staff with ice pops this week to help keep us all cool in the hot weather.

### ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

#### STOP AND THINK

Take time to assess your surroundings.  
Look for the dangers and always research local signs and advice.

#### STAY TOGETHER

When around water always go with friends or family.  
Swim at a lifeguarded venue.

In an emergency:

#### CALL 999

If you are at the coast, call 999 and ask for the Coastguard.  
Don't enter the water to rescue.

#### FLOAT

Fall in or become tired - stay calm, float on your back and call for help.  
Throw something that floats to somebody that has fallen in.
