## Parking Around School

Thank you to everyone who is parking considerately around the school. We appreciate that parking is limited, but choosing to park a little further away and walking the last part of your journey helps to reduce congestion and makes the journey to school safer for everyone.

Please also remember that children should not be dropped off outside the school gates to walk into school on their own. Thank you for helping us to keep all of our pupils safe at the beginning and end of the school day.

## ParentMail Update

ParentMail has recently been upgraded to a new version. We encourage all parents and carers to download the app, as it is the quickest and easiest way to stay informed about school news, important announcements, events, and communications.

Using the app will ensure you receive notifications promptly and never miss important updates from the school. If you have not yet downloaded the app, we encourage you to do so at your earliest convenience.

## Year 2 Leavers

A huge well done to all of our Year 2 children for their wonderful Leavers' Assembly this week. They performed brilliantly, and it was a lovely opportunity to celebrate everything they have achieved during their time at Tavistock Infant School.

I know all of our parents and carers will join us in celebrating each and every child for their achievements and success since joining Tavistock Infant School. We are incredibly proud of them and wish them every success as they begin the next stage of their learning journey.

*Thank you*

A huge thank you also goes to TAFF for organising such a fantastic Leavers' Party. The children had a wonderful time enjoying dancing, games, pizza, and ice cream—a perfect way to celebrate the end of their time with us!

## All Saints Orchestra Visit

A huge thank you to Mrs Ravenhill and the All Saints Orchestra for visiting us last week to perform for our children. The pupils thoroughly enjoyed the performance and were inspired by the opportunity to hear a range of instruments being played live.

**Year 2 Parents and Carers:** Please see the information below regarding music tuition opportunities at All Saints.

## Music Tuition at All Saints

Hello all,

I am the woodwind teacher at All Saints, and I was so fortunate to be able to bring some of my flute and saxophone pupils from All Saints for a visit to Tavistock last week. They were really excited to come and share with you some of what's on offer across the field! They performed a variety of music, with your children listening beautifully and even singing along to some of our tunes!

The music scene is fantastic at All Saints, with lots of opportunities to play and perform. There is a full orchestra and choir, as well as smaller ensembles within the instrument groups. All instruments are available, and our assembly was just a snapshot of my students.

Learning an instrument can help to develop confidence and self-discipline, and children love working as part of a team to create something special.

If your child would like to learn (either individually or in a group) the flute, clarinet or saxophone at All Saints, please email me at [jasmine.ravenhill@proton.me](mailto:jasmine.ravenhill@proton.me) for further information.

Many thanks,  
Jasmine Ravenhill

## Walk Wheel Cycle

Some of you may have met Louise from the Walk Wheel Cycle Trust at school pick-up on Wednesday. She spoke with parents and carers about the possibility of introducing a Walking Bus or Bike Bus to help reduce traffic and improve safety around the school.

If you would like to share your views, please take a few moments to complete the short survey using the link below:

Your feedback will help inform future plans and assess the level of interest within our school community.
