A Warm Welcome from Your Governing Body

Dear families,

On behalf of all the governors at Tavistock Infant School, I would like to extend a very warm welcome to everyone as we begin the new school year. Whether you're joining us for the first time or returning as part of our established school community, we're delighted to have you with us.

As we look to the year ahead, we're always keen to welcome new voices and perspectives to our governing body. If you're interested in playing an active role in our school community, we would love to hear from you. Being a school governor is a rewarding way to make a real difference, and we provide full support and training for new governors.

If you'd like to know more about becoming a governor, please don't hesitate to get in touch via email (chair@tavistockgovernor.org.uk) or by speaking to someone at the school office. We'd be happy to have an informal chat about what's involved and guide you through the application process.

Warm regards,
Timo York
Chair of Governors
