A WARM WELCOME TO THE NEW SCHOOL YEAR

We hope that the first few weeks of the new academic year have gone smoothly for all our children, families and staff. The Governing Body has already held its first meeting of the year, and we are excited about the months ahead at Tavistock. As governors, our role is to support and challenge the school so that every pupil has the best opportunities to thrive. We look forward to working together with staff, families and the wider school community to ensure that Tavistock continues to be a happy, nurturing place where all children can achieve their very best.

SPOTLIGHT ON OUR VICE CHAIR OF GOVERNORS - DAWN WELLS

I joined the Governing Body in March 2022 to become more involved in the school community. With one child already through Tavistock and another in Year 1, I've seen first-hand the positive impact the school has on its pupils and wanted to help it continue providing a nurturing environment where children can thrive.

As Vice-Chair, I support safeguarding and governor training and development, both vital in ensuring the school remains safe, inclusive, and forward-thinking.

With a background in HR, I bring useful skills to my governor role, while also developing new ones along the way. It's a role where you truly get back what you put in!

WE'RE LOOKING FOR PARENT GOVERNORS!

We are excited to invite dedicated parents to join our Governing Body and help ensure Tavistock continues to be the best it can be. Whether you have skills or an interest in finance, legal, IT, HR, governance, or simply want to contribute more to our school community, we would love to hear from you. If you're interested in making a difference, please get in touch via the email below or through the school office.
