

Attendance Policy

At Tavistock Infant School, we are committed to maintaining and improving pupil attendance. Staff and governors agree that regular and full-time attendance is essential if children are to benefit fully from the learning opportunities provided by the school. We also believe that punctuality is of equal importance because the beginning of the lesson is vital to understanding and children often find it distressing when they are late.

It is a parent's legal duty to ensure that children attend school regularly and on time. Morning registration is at 8.55 and afternoon registration is at 12.50 for Year R and 1.20 for KS1.

Lateness is recorded when a child does not arrive by the time the register has been taken. Parents of children who are late must report to the office so that registers can be amended for fire procedures. Persistent lateness is followed up with a letter to parents and interviews held with parents if necessary.

Present and absent marks are recorded by staff, in pencil, onto an OMR Pupil Registration Form at the start of each session. This data is fed into the computer system on a weekly basis and regular Absence Reports are created.

Parents should contact the school office on the first day and every subsequent day of absence at the start of the morning as a phone call is made to the home of each child who is absent without a known reason when the register is returned to the office.

Authorised or unauthorised absence

Due to changes in legislation Headteachers are only able to authorise absence from school in exceptional circumstances. For clarity family holidays are not normally considered exceptional circumstances within the new regulations, and as such, an authorised absence for these is unlikely to be granted. (See attached Request for Leave from Learning application form.)

Parents should be aware that unauthorised absences may trigger a fixed penalty notice by order of the Local Education Authority.

Procedures to be taken to deal with individual absences

A phone call is made to the home of each child who is absent without a known reason when the register is returned to the office. This is usually around 9.15am – 9.30am.

Registers are checked regularly, to note unexplained absences and identify patterns of absence and lateness, if they are occurring. If absence/punctuality becomes a matter for concern, strategies are used in order to raise parental awareness of the importance of attendance and punctuality. It is hoped that problems can be resolved between the school and parents on a voluntary basis.

Other agencies are involved when difficulties arise, and the school needs extra support or help as appropriate (including the Parent Support Advisory Service which can be used to offer support to families experiencing difficulties that are contributing to high absence or lateness, the Education Welfare Service who will intervene when absence rates become beyond 80%, Education Psychology Service and Children's Services).
