Rules for Online Safety

- Only use a computer when an adult is nearby.

- Tell your parents or teacher right away if you come across anything that upsets you or makes you feel uncomfortable.

- Never give out your name, address, phone number or school name.

- Never send a picture of yourself to a person that you don't know or haven't met.

- Never give out your passwords to anyone other than your parents, even if they are your best friends.

- Check with your parents or teacher before downloading anything as it could damage the computer.

- If anyone is nasty to you online you must tell a grown up so they can help.

- Even if you can't see someone things you write might still upset them.

- Being unkind to someone on the internet is a form of bullying.
