

TAFF update January 2024

This term as well as organising lots of fun events we also want to help make a difference in the school garden.

You can keep up to date and hear about all our volunteering opportunities by joining our TAFF [WhatsApp group](#). Follow the link or email your mobile number to TAFF@tavistock.hants.sch.uk. All volunteers who help at the children's events need to have a DBS. Please speak to the office if you haven't already arranged this with school.

The Big TAFF tidy up

▲ **Saturday 16 March**

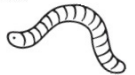

This term the Big TAFF tidy up will be focusing on the garden area. We want to make the area safe, fun and ready for planting so that all the classes can try out their green fingers in the summer term!

How can you help?

Join us on Saturday for weeding, painting and tidying up. Everyone is welcome. There'll be refreshments and activities for the children to join in with too.

As part of the tidy up we want to replace the top soil in the planters. If you, or someone you know, can help us remove the existing soil we would be very grateful.

Likewise, if anyone can help us source some new topsoil...

Match Funding

Does your workplace offer match funding? If so, we'd love to hear from you and explore whether we can increase our fundraising this term.

Please email

TAFF@tavistock.hants.sch.uk. Thank you!
